

Who can present  
oneself?

Within activities for talented students Primary School of France Prešeren Črenšovci organizes the 11th FESTIVAL OF TALENTS.

All primary and secondary students and their mentors are invited to present activities which you are especially successful at and are your specialties. You can present your products or activities on billboard, you can perform a workshop on the event or you can present yourself by dancing, theatre, film or music performance on the main stage.
