

Gifts and Talents Values for the Future

17th International ECHA Conference
9-12 September 2020, Porto, Portugal

ECHA 2020 CONFERENCE

1 OCTOBER 2019 - ABSTRACT SUBMISSION OPENING

Dear colleagues and friends,

We are happy to announce that the ECHA 2020 abstract submission platform will be available from 1 October and we look very much forward to receiving your contributions!

We have thought to include some alternative formats of presentation to allow for more interaction and discussion and hope that this will be well received.

For detailed submission guidelines please see the website : echa2020.org

Thanking you in advance for your kind collaboration,

On behalf of the ECHA 2020 Organising Committee,
With kind regards from Portugal

Carin Isacson
